If you **fail** to do so, you will be **excluded** from clinical practice which can jeopardize your academic standing & may lead to program **withdrawal**.
- Once you have gathered all the necessary documents and officially registered and paid for this course, you will need to create an account, upload and submit all documents, certificates and evidence to the Paramed Placement Pass by the **given deadline on April 3, 2026**. A link to the portal can be found at [Placement Pass by Paramed](#).
